TESTIMONIAL G & R Builders and Roofing has been advertising with The Observer for many years. This is what he had to say. I am certain I will continue to do so for many years to come. I get many calls from our ad in the Classified Section and we estimate that of those calls, at least 90% of them we actually do business with. That's an incredible percentage and because of it, we don't advertise anywhere else anymore because there is no need. The investment of paying for an ad in The Observer has paid off in ways I never thought possible. Be patient and you'll see — advertising with The Observer long-term works. — Gilbert Rosado Owner of G&R
